LOCATION

The Bonerowski Palace is in a gem of a location on a corner of the main medieval market square. All the old town's myriad attractions, museums and concert venues are within easy walking distance of the hotel, plus there are plenty of cafes, bars and restaurants close by to keep you fed and watered. If you want to get into the nighttime groove the trendy area of Kazimierz is about a half hour walk away, although nearer to home you'll find an exclusive nightclub. Best of them is in The Bonerowski Palace ***** - One Club.
